

Dental and vision coverage

With our Kaiser Permanente for Individuals and Families dental plans and vision coverage, you can get the benefits you need and the high quality of care you've come to expect. There is no waiting period – you'll be eligible to start receiving covered services the minute your coverage takes effect.

Quality dental care

Combining dental coverage with our medical coverage is a great way to experience Kaiser Permanente's uniquely coordinated approach to care. Save a trip – and often a copay – by taking care of minor medical needs, like flu shots or vaccinations, during your dental appointment.* Plus, your dentist can view your electronic health record to see if you're due for a screening, lab test, or follow-up appointment. Our dental and medical teams work together to help support your total health, giving you another reason to smile.

Choice

You'll have your first appointment with a dentist and dental hygienist at the location that works best for you. After that, you can choose to keep them as your providers, or request to be transferred. You can change your dentist or dental hygienist at any time.

Convenience

We have 21 dental offices in the Portland metro area, southwest Washington, Longview, Salem, and Eugene, so there's sure to be one near you. Our dental group includes pediatric dentists, orthodontists, periodontists, oral surgeons, endodontists, and prosthodontists.

Quality

Our dental professionals exceed national standards. Since 1990, we've received accreditation from the Accreditation Association for Ambulatory Health Care

(AAAHHC). Right now, we're the only dental practice in the Pacific Northwest with AAAHC accreditation.†

How to make appointments

Our dental offices are open Monday through Friday, with Saturday hours for hygienist services and emergencies at most locations. To schedule a visit, call our Appointment Center at **1-800-813-2000** (TTY **711**) from 8 a.m. to 6 p.m., Monday through Friday (closed major holidays).

Vision essentials

We offer eye care services to help keep your world in focus. Plus, when you're a Kaiser Foundation Health Plan of the Northwest member, your eye health information becomes part of your overall medical record, giving your care team a complete picture of your health.
