

The Kaiser Permanente dental difference

For 50 years, Kaiser Permanente Northwest has been helping our members thrive with healthy smiles and dental care that connects seamlessly to their medical plans. Your oral health – the health of your teeth and gums – affects your overall health, medical costs, and quality of life. That’s why prevention is at the core of our philosophy and why our medical and dental teams work together to help protect the total health of our members.

Taking care of your dental health can help decrease the risk of serious medical issues, such as:

- Heart disease
- Diabetes
- Arthritis
- Certain types of cancers
- Pregnancy and birth complications
- And more

Shared health records mean our dentists see when members are due for medical screenings and can even help schedule their appointments right away, which can lead to early detection if there is a problem. Plus, members with both Kaiser Permanente medical and dental plans can save a trip by taking care of minor medical needs, like flu shots or vaccinations, during their dental appointment.*

Choice

Our Oregon and Southwest Washington dental group has more than 160 general and pediatric dentists, orthodontists, periodontists, oral surgeons, endodontists, and prosthodontists, who all work together for your care.

Convenience

We have 21 dental offices in the Portland metro area, Southwest Washington, Longview, Salem, and Eugene, so there’s sure to be one near you. You can also save time by getting answers or advice for nonurgent dental questions virtually, by phone or email.

Quality

Our dental professionals exceed national standards. Since 1990, we’ve received accreditation from the Accreditation Association for Ambulatory Health Care (AAAHC). Right now, we’re the only dental practice in the Pacific Northwest with AAAHC accreditation.†

Vision Essentials

We offer eye care services to help keep your world in focus. Plus, when you're a Kaiser Foundation Health Plan of the Northwest member, your eye health information becomes part of your overall medical record, giving your care team a complete picture of your health.

Adult vision exams are included in our Gold plans (except Oregon Standard), KP OR Silver 750, KP OR Silver 3000 X, and the KP OR Silver 3000 plan. CSR plans for plans listed above have adult vision exams included. All plans include medically necessary eye exams, pediatric vision exams for children 18 and younger, as well as glasses or contact lenses for children, usually at no additional cost.‡

For more information, including our 8 optical locations, visit kp2020.org.

* Medical services are available at select dental locations. You must be a Kaiser Permanente medical member to get medical care.
