| D3320 | Root Canal-Bicuspid            |
| D3330 | Root Canal-Molar               |
| D3346 | Re-treatment Root Canal        |
| D3347 | Re-treatment Root Canal        |
| D3348 | Re-treatment Root Canal        |
| D3410 | Surgery                        |
| D3421 | Surgery                        |
| D3425 | Surgery                        |
| D3426 | Surgery                        |
| D3430 | Retrograde Filling             |
| D3471 | Surgical repair                |
| D3472 | Surgical repair                |
| D3473 | Surgical repair                |
| D3501 | Surgical exposure              |
| D3502 | Surgical exposure              |
| D3503 | Surgical exposure              |
| D3921 | Decoranation/submerge of tooth |
| D5211 | Partial denture                |
| D5212 | Partial denture                |
| D5213 | Partial denture                |
| D5214 | Partial denture                |
| D5221 | Partial denture                |
| D5222 | Partial denture                |
| D5223 | Partial denture                |
| D5224 | Partial denture                |
| D5227 | Partial denture                |
| D5228 | Partial denture                |
| D5725 | Rebase                         |
| D6101 | Debridement                    |
| D6102 | Debridement                    |
| D6103 | Bone Graft                     |
| D6104 | Bone Graft                     |
| D6105 | Implant removal                |

|              |                              |
|--------------|------------------------------|
| <b>D6106</b> | Tissue regeneration          |
| <b>D6107</b> | Tissue regeneration          |
| <b>D6110</b> | Denture                      |
| <b>D6111</b> | Denture                      |
| <b>D6112</b> | Denture                      |
| <b>D6113</b> | Denture                      |
| <b>D6191</b> | Place abutment               |
| <b>D6192</b> | Place attachment             |
| <b>D6193</b> | Replace implant screw        |
| <b>D6197</b> | Replace restorative material |
| <b>D6999</b> | Prosthodontics               |
| <b>D7250</b> | Remove tooth                 |
| <b>D7251</b> | Partial tooth removal        |
| <b>D7292</b> | Temp Anchor device           |
| <b>D7293</b> | Temp Anchor device           |
| <b>D7294</b> | Temp Anchor device           |
| <b>D7298</b> | Remove device                |
| <b>D7299</b> | Remove device                |
| <b>D7300</b> | Remove device                |
| <b>D7509</b> | Odontogenic cyst             |
| <b>D7956</b> | Tissue regeneration          |
| <b>D7957</b> | Tissue regeneration          |
| <b>D8010</b> | Orthodontic Treatment        |
| <b>D8020</b> | Orthodontic Treatment        |
| <b>D8030</b> | Orthodontic Treatment        |
| <b>D8040</b> | Orthodontic Treatment        |
| <b>D8070</b> | Orthodontic Treatment        |
| <b>D8080</b> | Orthodontic Treatment        |
| <b>D8090</b> | Orthodontic Treatment        |
| <b>D8091</b> | Orthognathic surgery         |
| <b>D8671</b> | Orthognathic surgery         |
| <b>D8681</b> | Adjust Ortho Retainer        |
| <b>D8695</b> | Remove Ortho Appliance       |
| <b>D8696</b> | Repair of Ortho Appliance    |
| <b>D8697</b> | Repair of Ortho Appliance    |
| <b>D8698</b> | Re-attach retainer           |
| <b>D8699</b> | Re-attach retainer           |
| <b>D8701</b> | Retainer repair              |
| <b>D8702</b> | Retainer repair              |
| <b>D8999</b> | Orthodontic procedure        |
| <b>D9936</b> | Occlusal guard cleaning      |

|              |                                |
|--------------|--------------------------------|
| <b>D9944</b> | Occlusal guard                 |
| <b>D9945</b> | Occlusal guard                 |
| <b>D9946</b> | Occlusal guard                 |
| <b>D2740</b> | Crown                          |
| <b>D2750</b> | Crown                          |
| <b>D2751</b> | Crown                          |
| <b>D2752</b> | Crown                          |
| <b>D2790</b> | Crown                          |
| <b>D2791</b> | Crown                          |
| <b>D2792</b> | Crown                          |
| <b>D2931</b> | Stainless Steel Crown          |
| <b>D2950</b> | Core Build-Up                  |
| <b>D2952</b> | Crown post and core            |
| <b>D2954</b> | Crown post and core            |
| <b>D4210</b> | Gingivectomy                   |
| <b>D4211</b> | Gingivectomy                   |
| <b>D4212</b> | Gingivectomy                   |
| <b>D4240</b> | Gingival Flap                  |
| <b>D4241</b> | Gingival Flap                  |
| <b>D4260</b> | Osseous Surgery                |
| <b>D4261</b> | Osseous Surgery                |
| <b>D4266</b> | Tissue Regeneration            |
| <b>D4267</b> | Tissue Regeneration            |
| <b>D4270</b> | Soft Tissue Graft              |
| <b>D4277</b> | Soft Tissue Graft              |
| <b>D4278</b> | Soft Tissue Graft              |
| <b>D4341</b> | Perio Scaling / Root Planing   |
| <b>D4342</b> | Periodo Scaling / Root Planing |
| <b>D6013</b> | Surgical Placement             |
| <b>D6210</b> | Pontic                         |
| <b>D6211</b> | Pontic                         |
| <b>D6212</b> | Pontic                         |
| <b>D6214</b> | Pontic                         |
| <b>D6240</b> | Pontic                         |
| <b>D6241</b> | Pontic                         |
| <b>D6242</b> | Pontic                         |
| <b>D6243</b> | Pontic                         |
| <b>D8210</b> | Appliance therapy              |
| <b>D8220</b> | Appliance therapy              |
| <b>D8660</b> | Pre-orthodontic exam           |
| <b>D8670</b> | Orthodontic visit              |

|              |                        |
|--------------|------------------------|
| <b>D8680</b> | Orthodontic retention  |
| <b>D6545</b> | Pontic                 |
| <b>D6740</b> | Crown                  |
| <b>D6750</b> | Crown                  |
| <b>D6751</b> | Crown                  |
| <b>D6752</b> | Crown                  |
| <b>D6753</b> | Retainer crown         |
| <b>D6790</b> | Retainer crown         |
| <b>D6791</b> | Retainer crown         |
| <b>D6792</b> | Retainer crown         |
| <b>D7210</b> | Surgical Removal Tooth |
